## The Committee of Seventy

The Committee of Seventy is a not-for-profit, nonpartisan political watchdog organization serving the City of Philadelphia and its surrounding communities.

The election-related mission of Seventy is two-fold. Year-round, Seventy staff fields questions from the electorate concerning its voting rights, the political process, and the function of the various government offices. On Election Day, Seventy establishes a voting control center in its offices to respond to questions, complaints, and allegations of misconduct from citizens, election board officials, and party representatives. Seventy staff, members, and volunteers also form field teams that visit polling places throughout the City, recording complaints, mediating disputes, investigating reports of infractions of the Election Code, and where necessary, contacting the District Attorney's office to initiate legal proceedings.

In addition to its election-related activities, Seventy's professional research staff publishes reports on governance issues that affect the economic and social well-being of the Philadelphia community. In the past, Seventy has investigated such critical issues as the governance of the Police Department, Ports, Housing, Utilities, Transportation systems, and the Philadelphia School District, as well as City Personnel Practices, the Riverfront Renaissance, the Judicial Selection Process, and Charter Reform.

Since its founding in 1904, Seventy has not accepted funding from any political organization and has never received any contribution which has required a political commitment. This policy has enabled Seventy to remain uniquely nonpartisan, private, and independent. Seventy's efforts benefit every citizen of Philadelphia, regardless of political affiliation or ideology.

Although Seventy has never had a guaranteed source of funding, it has continued in its mission for good government and fair elections through the support of corporations, foundations, and private citizens who share its concerns. Over the years, contributions, large and small, have served as a vote of confidence for Seventy's efforts, but more important, they have also provided a testimony to the desire and ability of Philadelphians to shape their future.

Your tax deductible contributions are greatly appreciated.

## Registration And Voting Information

### TO VOTE IN PENNSYLVANIA ON ELECTION DAY, YOU MUST MEET TWO REQUIREMENTS:

You must be an eligible citizen. And you must register to vote not later than 30 days prior to the election.

**1. You are Eligible to Vote:** If you are a U.S. citizen, **AND** you will be 18 years of age by Election Day (you do not have to be 18 when you register), **AND** you are a resident of Pennsylvania.

#### 2. You May Register to Vote:

- **BY MAIL.** You can obtain a mail application form from your county registration office or at your neighborhood post office, library or state liquor store. After you complete and mail it, to the county registration office, you will be notified by your county registration office when you are officially registered.

- **IN PERSON** at your county registration office - in Philadelphia on the fifth floor of Riverview Place at 520 N. Delaware Avenue (at Spring Garden Street), or in Room 142 City Hall; in the suburban counties at the county court house.

#### - WHEN OBTAINING OR RENEWING YOU DRIVER'S LICENSE AND AT CERTAIN STATE AGENCY OFFICES.

All citizens may register to vote when applying for or renewing a motor vehicle driver's license or in state welfare offices, vocational rehabilitation offices and armed services locations.

- **USING THE WEB** by downloading the National Mail Voter Registration Form from the FEC. (Make sure you print it on regular paper stock, fill it out completely, sign it, and mail it in an envelope with the correct postage. If you live in Philadelphia, mail it to 520 N. Delaware Avenue, 5th Floor, Philadelphia. 19123.) Or you could

request one to be mailed to you by the PA Department of State. Online registration is currently not allowed under the law.

**3. (Remember: a court order is only good for one election.)

**4. You May Change Your Party:** You may change your registration to any party designation or to non-partisan, however as a member of a party you may only vote for members of that party in the primary election, and as a registered non-partisan you are not eligible to vote for any candidates in the primary election.
